**Thank you From the Mills:** Dana, the boys, and I want to thank you for your love and blessings last Sunday as we celebrated together God's goodness with you for the past eleven years. We thank you for your wonderful financial gift as a congregation, and the many hugs and cards we received. We are so blessed by your love and generosity. It was difficult to say our goodbyes, but we feel so loved and supported by you in the new adventures which lie ahead for our family and for my ministry in the Canadian Forces. We pray for God's guidance and blessings for Trinity in the months to come. We know that He is with you all the way! We look forward to visiting in the future. I'll be dressed in my Air Force finest.

All our love, -- Alan, Dana, Zach and Nate Mills. P.S. Thanks for the birthday cake too!!

### **TRINITY SURVEY**

A survey regarding our future ministerial plans for Trinity has this past week been mailed out to all those on our regular mailing list. Also, we have sent an email to all those for whom we have an email address since there is an online version as well (the questions are the same on both).

If you consider Trinity United Church Uxbridge to be your church we would welcome you to fill out the survey since we would like to have your input on this important aspect of our church life. The

survey is intended to be completed by each adult.

The preferred way to do the survey is online and if you did not yet receive an email about this please let Diane in the church office know by sending her an email to [trinityuxbridge@powergate.ca](mailto:trinityuxbridge@powergate.ca). Alternately, if you prefer to do the printed version of the survey and have not received this please also let Diane know. In either case we ask that you only fill out one survey per person (either online or paper copy). If you are completing the printed version of the survey please either bring it to church and deposit in the box provided for this at the back or else drop it off at the office during the week.

The deadline for receiving responses is Sunday, June 20th.

### **KEEPING INFORMED VIA EMAIL**

Key events in the life of our church are communicated via email and you may have received email announcements from us (such as the survey we are currently undertaking). You can subscribe and also unsubscribe to our email list simply by visiting the church website [www.trinityuxbridge.com](http://www.trinityuxbridge.com), select *Contact Us* then select the *Email list* option.

**WHAT DOES AV STAND FOR?:** Anti-virus, Ace Ventura (aka Jim Carrey), Aston Villa (Brit soccer fans)?

In this case we are talking about Audio Visual - a somewhat dated term that today still denotes equipment having to do with sound and video. If you think you might be interested in what we do in that large wooden box at the back of the church then please don't hesitate but come and talk to us. If you have basic computer skills then when we can teach you the rest- it's really not all that complicated. Phil Carmichael and Richard Forkun
